

Regional Extension & Education Committee Positions Vacant

- The primary function of the REEC is to provide strategic advice on extension and education activities across the Murray Dairy region.
- Major stakeholders in the REEC include dairy farmers, Murray Dairy, United Dairyfarmers of Victoria (UDV), NSW Farmers Dairy Committee, Department of Primary Industries Victoria (DPIV), Industry and Investment NSW (I & I NSW), National Centre for Dairy Education Australia (NCDEA) and Dairy Australia.
- Members of the REEC possess skills and knowledge about issues facing the industry and have good communication linkages through their regional groups and industry activities.
- REEC currently has two positions vacant for dairy farmer/service provider representatives for two year and three year terms.
- Applications from persons interested in helping shape extension and education activities in the Murray Dairy region are encouraged to apply.

A copy of the position description, REEC charter and guidelines will be available from the Murray Dairy website from the 18th April 2010 or by contacting Sarah Parker, Acting CEO on 0418 883 250 or email sarahp@murraydairy.com.au

Applications close Friday 7th May 2010.
