Murray
DAIRY

Australian Dairy Conference Dairy Farmer Scholarship

Murray Dairy through Dairy Australia will sponsor one young farmer from the Murray Dairy region to attend the 2012 Australian Dairy Conference in Gippsland, Victoria on February 22nd – 24th 2012.

The Australian Dairy Conference will provide complimentary registration to the successful applicant who may also wish to extend their stay and participate in the pre and post conference tours (at their own expense).

How it works

Funding will cover the full cost of the registration plus travel and accommodation costs up to \$1,000. The successful person will need to pay for their accommodation at the conference as well as travel.

What is a young farmer?

- Age is not always about numbers! However somebody in their mid twenties or early thirties is likely to benefit more than an 18 year old!
- We're flexible – and it's at the discretion of Murray Dairy Board who will select a person who will most benefit from the exposure and experience.
- We are looking for farmers who would not normally get the opportunity to attend an ADC. The only hard and fast rule is if they have attended an ADC event before they are ineligible.

It would be desirable to involve farmers who are prepared to share information gained on their return (perhaps they could speak at a local discussion group or write an article for a local newsletter).

How to apply?

Interested applicants need to complete the application form overleaf and return to Murray Dairy by **Friday 20th January 2012**.

Send Applications to: Tori Rath, Project Officer

Private Bag 1, 255 Ferguson Road, TATURA, VIC, 3616
